Situated in the Ditton area of Widnes, Ferndale Court is a spacious and purpose-built home, offering personalised residential, nursing and residential dementia care to older people.

Tastefully decorated, all living and dining areas contain simple yet comfortable furnishings and the home also boasts a lovely café area, where residents and relatives love to sit, relax and socialise, as well as a hair salon and a range of both premier and en-suite bedrooms. Meanwhile, the selection of carefully curated dining areas are the perfect space to share meals with other residents, or enjoy visits with family and friends.

The team at Ferndale Court are hand selected for their skillset as well as their passion for delivering the highest quality care for all residents. From the kitchen team to the 24-7 care team, every team member is there to support residents to live the best quality of life possible.

As well as offering a wide ranging activities programme within the home, engaging with the wider community is also highly encouraged at Ferndale Court. Whether it be building relationships with local community groups or schools to visiting different places around the area, there is something for every resident to get involved in.
